NRW is thrilling! www.land.nrw

The company:

A medium-sized internet agency whose clients are national and international corporate groups and companies. The company keeps on expanding and for their challenging projects they are looking for an experienced web developer (m/f) at the earliest possible opportunity.

Your profile:

- Studies in computer science or completed training as qualified IT specialist in application development or comparable training
- Knowledge in PHP, JS, (X) HTML, CSS, XML as well as in various content management systems and frameworks
- Experience in eCommerce with shop systems like Magento
- Quick assumption of self-responsibility and active participation in the development, conception and implementation of projects
- Updating, support and expansion of existing websites
- Proficiency in the implementation of complex internet applications as well as in modeling and programming of relational databases
- Capacity for teamwork, professionalism and a high degree of quality awareness
- Fluent English skills, basic German skills are an advantage

The employer offers:

Get ready for exciting tasks and constant challenges. We offer you the opportunity to develop your skills and knowledge within an expanding and motivating company. Your openness and independent work skills will significantly contribute to a good working environment and ensure success.

The employer provides help in finding accommodation and with the first administrative steps in Germany. A first interview is possible via Skype or telephone.
